#### NATIONAL FAMILY HISTORY MONTH - AUGUST 2022

NFHM is an initiative of the Australasian Federation of Family History Organisations (AFFHO).

This popular initiative has received broad support from some of Australia's leading government and non government organisations since its introduction in 2006. NFHM is on again in 2022, although probably we will still be affected by Covid-19. Libraries and all history/genealogy groups are encouraged to hold events as their circumstances allow during August, and we expect some will choose be held on-line.

Events for National Family History Month are now being registered here <https://familyhistorymonth.org.au/> so check it out over the next few weeks. Check out their Facebook page, the place to go for the latest news and information. See <https://www.facebook.com/FamilyHistoryMonthAU>
