

Human Chain

Monday 9.30am ~ 6th June 2005

**HAWKESBURY CENTRAL
LIBRARY
300 GEORGE STREET
WINDSOR**

Invitation

To join the
Human Chain :

From the Old to the New

On Monday 6 June 2005, Windsor Library will commence services from its new location in the Deerubbin Centre.

As part of the opening celebrations, Hawkesbury City Council Library Service would like to invite library members & ex-staff to participate in a community event that will provide a symbolic link between the old building with the new.

The event will involve the formation of a human chain stretching along George Street from the present library building to the forecourt of the new structure. The chain will include community representatives, in a symbolic gesture representing the transition passing the final items of library stock, hand to hand along the chain to the new building.

Following this event, the library will be opened by the Mayor, Cr Bart Bassett at 10am, followed by morning tea in the new library. If you would like to play a part in this historic event & be one of the 360 participants needed please RSVP before the 27th May 2005.
